IMPORTANT: AI CHATBOT DISCLOSURE

■■ RUCHIKA IS NOT A REAL PERSON ■■

1. ARTIFICIAL INTELLIGENCE SYSTEM

Ruchika Bot is an **artificial intelligence chatbot** powered by Grok AI (developed by xAI). This service uses machine learning algorithms to generate conversational responses. **THERE IS NO REAL PERSON NAMED RUCHIKA.** The 'Ruchika' personality, character traits, and conversational style are all simulated by artificial intelligence software.

2. WHAT THIS MEANS FOR USERS

- **No Human Interaction:** You are NOT chatting with a real person. All responses are computer-generated.
- **Simulated Personality:** The flirty, friendly 'Ruchika' character is a fictional AI personality.
- **No Real Emotions:** The AI cannot feel emotions or have real feelings toward you.
- **No Consciousness:** This is software code, not a conscious being.
- **Limited Memory:** Beyond the last 6 messages, the AI has no memory of you.
- **No Real Relationship:** Any sense of connection is an illusion created by AI.

3. AI LIMITATIONS

As an AI system, Ruchika Bot may generate factually incorrect information, cannot provide genuine emotional support, may produce unexpected or inappropriate content despite safeguards, cannot understand context like humans, may misinterpret your intent, cannot replace real human connection, and should NEVER be relied upon for important life decisions.

4. ENTERTAINMENT PURPOSE ONLY

This service is designed purely for **entertainment and casual conversation**. It is NOT a substitute for real human relationships, mental health support, professional advice, a reliable information source, an emergency service, or a real person who cares about you.

5. USER ACKNOWLEDGMENT

By using Ruchika Bot, you acknowledge: You understand this is an AI chatbot, not a real person; You will not maintain the illusion that 'Ruchika' is real; You accept all responses are computer-generated; The AI cannot reciprocate genuine emotions; You will not rely on AI for emotional support or decisions; You will maintain real human relationships; You will use this service responsibly and in moderation.
